WARRANT FOR TOWN MEETING

*To Alroy Noyes, a Constable of the Town of Pownal, in
the County of Cumberland and State of Maine,*

GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Pownal, qualified by law to vote in the town affairs, to assemble at the town house in said town on Monday, the ninth day of March, A. D. 1931, at ten o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose a Town Clerk for the ensuing year.

Art. 3. To hear the reports of Selectmen, Treasurer, Superintendent of Schools, and any other officers' reports and act thereon.

Art. 4. To choose Selectmen and all other necessary town officers for the ensuing year.

Art. 5. To receive and allow accounts against the town if found correct.

Art. 6. To see what sum of money the town will vote to raise for high school tuition.

Art. 7. To see what sum of money the town will vote to raise for support of the common schools.

Art. 8. To see what sum of money the town will vote to raise for textbooks and supplies.

Art. 9. To see if the town will vote to authorize the

School Committee to move the Merrill schoolhouse to the Center, to raise a sum of money for the said purpose and act on any matter relative thereto.

Art. 10. To see what sum of money the town will vote to raise for repairing and remodelling the Merrill schoolhouse, according to law.

Art. 11. To see what sum of money the town will vote to raise for the general repair and upkeep of school property.

Art. 12. To see what sum of money the town will vote to raise for the salary of Superintendent of Schools.

Art. 13. To see what sum of money the town will vote to raise for the support of poor.

Art. 14. To see what sum of money the town will vote to raise for contingent expenses.

Art. 15. To see if the town will vote "yes" or "no" on the question of appropriating and raising money necessary to entitle the town to State Aid as provided in Section 19 of Chapter 25 of the Revised Statutes of 1916.

Art. 16. To see if the town will appropriate and raise the sum of \$533.00 for the improvement of the section of State Aid road as outlined in the report of the State Highway Commission, in addition to the amounts regularly raised for the care of ways, highways and bridges, the above amount being the maximum which the town is allowed to raise under the provisions of Section 18, Chapter 25, of the Revised Statutes of 1916.

Art. 17. To see what sum of money the town will vote to raise for patrol road maintenance.

Art. 18. To see if the town will vote to appropriate the sum of \$548.00 for maintenance of the third class highway as required by the State Highway Commission.

Art. 19. To see what sum of money the town will vote

to raise for repairing common roads.

Art. 20. To see what sum of money the town will vote to raise for cutting bushes on the highways.

Art. 21. To see what sum of money the town will vote to raise for repairs of bridges and culverts.

Art. 22. To see if the town will appropriate and raise \$1,500.00 as yearly instalment payments for tractor and snowplow, or what other sum of money shall be raised for this purpose, or act anything relative thereto.

Art. 23. To see what sum of money the town will vote to raise for care of cemeteries.

Art. 24. To see if the town will vote to authorize the Treasurer and Selectmen to hire money to meet the liabilities of the town in anticipation of taxes.

Art. 25. To see what sum of money the town will vote to grant and raise to be expended and used for advertising the resources, advantages and attractions of the State of Maine.

Art. 26. To see if the town will vote to set a time when the taxes for 1931 shall be paid.

Art. 27. To see if the town will vote to authorize the Treasurer to release and convey any title the town may have in any real estate sold for taxes on settlement of said taxes in any way satisfactory to the Board of Selectmen.

Art. 28. To see what action the town will vote to take in regard to repairing and painting the Town House, raise money for same, or act anything relative thereto.

Art. 29. To see if the town will vote to raise a sum of money for the purchase of snow fence, or act anything relative thereto.

Art. 30. To see if the town will coöperate with the State in controlling the white pine blister rust in Pownal and raise \$100.00 for same. The State guarantees to add 50 per cent to the amount raised by the town, the total sum

to be spent on eradication work.

Art. 31. To see if the town will instruct the Selectmen to erect school signs near the schoolhouses as a warning to motorists.

Art. 32. To see if the town will vote to discontinue the Cemetery Commission and return the duties, as formerly, to the Selectmen, or act anything relative thereto.

Art. 33. To see if the town will vote to accept the list of jurors as revised by the Selectmen, Town Treasurer and Town Clerk.

The Selectmen give notice that they will be in session for the purpose of correcting the list of voters, hearing and deciding upon said list, at the Town House in said town, at nine o'clock in the forenoon on day of said meeting.

Hereof fail not and make due return of this warrant with your doings thereon, to one of us, on or before the day of said meeting.

Given under our hands at Pownal, this eighteenth day of February, A. D. 1931.

JOSEPH H. PERVIER,
STEPHEN W. LIBBY,
MILTON J. WHITCHER,

Selectmen of Pownal.

ANNUAL REPORTS

The annual reports of the town officers of the Town of Pownal for the year ending March 9, 1931, are hereby submitted.

FIRE WARD REPORT

There were fifteen calls this year attended by Fire Ward.

CHIMNEY FIRES

- Apr. 3—Joseph T. Butt.
- Apr. 10—Percy DeCoster.
- Apr. 27—Mrs. Lizzie Palmer.
- May 9—W. S. Mitchell.
- May 21—Alice F. Marston, North Yarmouth.

GRASS AND WOOD FIRES

- Apr. 11—Durham.
- Apr. 11—Alfred T. Ware.
- Apr. 16—Harry Blackstone.
- Apr. 16—Mrs. Morris.
- Apr. 16—Israel Goddard Place.
- Apr. 30—New Gloucester.
- May 1—Elmwood Cemetery.
- Apr. 26—Brooder house at Allen Carter's.
- May 22—Brooder house at James Walker's.
- Aug. 18—Barn at John Menchen's.

Through excellent coöperation of citizens, these fires were all kept from doing extensive damage. The fire at the Menchen place was kept confined to the barn by tearing away part of adjoining shed. The N. E. Tel. & Tel. truck offered great assistance on this occasion.

Respectfully submitted,
JOSEPH H. PERVIER,
Fire Ward.

REPORT OF CEMETERY COMMISSION

To the Citizens of Pownal:

The usual amount of general care has been given all cemeteries, and they are in as good condition as could be expected under present conditions.

A substantial fence has been constructed around the Elmwood Extension, which will stand for several years.

POWNAL CEMETERY COMMISSION.

REPORT OF STATE HIGHWAY COMMISSION

February 12, 1931

To the Municipal Officers of Pownal:

The State Highway Commission respectfully submits the following information with respect to patrol maintenance work in your town during the season of 1930:

Patrolled mileage, 8.98, total expenditure, \$1,807.58

FRANK A. PEABODY, *Chairman,*
EDWARD E. FARNSWORTH,
WILLIAM J. LANNIGAN,
State Highway Commission.

REPORT OF THE BOARD OF HEALTH

A number of cases of skin diseases have been reported and attended to during the year. We have had four cases of mumps, also several cases of chicken pox. There has been the usual number of colds and mild cases of grippe. The only serious contagious disease was one case of infantile paralysis.

We have had much helpful coöperation from both the County and State Health Organizations, especially among the school children.

There is one matter we would urge strenuously that the parents use greater care in sending their children to school when afflicted with bad colds, as they are not only endangering their own health but it spreads to other children.

The health of the citizens may be safeguarded to quite a degree if they will avail themselves of the various bulletins that may be secured from the State Board of Health.

Blanks for reporting and information relative to the control of all contagious diseases may be had by applying to the local Board of Health.

Respectfully submitted,

LAUREN H. TUTTLE,
*Secretary of Board of Health
and Local Health Officer.*

REPORT OF PINE BLISTER RUST

To the Board of Selectmen, Pownal, Maine:

GENTLEMEN :—The following is a brief summary of the white pine blister rust control work carried on in Pownal in 1930:

Number of wild currant and gooseberry bushes destroyed by crew,	14,073
Number of cult. currant and gooseberry bushes destroyed by crew,	35
Number of acres eradicated by crew,	316
Number of acres eradicated by Federal Scout, crew work unnecessary,	681
Number of wild currant and gooseberry bushes destroyed by scout,	591
Number of cult. currant and gooseberry bushes destroyed by scout,	3
Total number of wild currant and gooseberry bushes destroyed in town,	14,664
Total number of cult. currant and gooseberry bushes destroyed in town,	38
Total number of acres eradicated in the town,	997
Amount appropriated by town for blister rust work,	\$100.00
Cost of eradication to the town,	100.47

The work was conducted under the direct supervision of Federal Scout Willis Kimball and progressed very satisfactorily. Local men and the owners did the necessary eradication work. The disease was found to be doing considerable damage in the majority of pine lots examined.

For the coming season the State agrees to add 50% to the amount raised by the town to carry on the necessary eradication work, this work to be done by a trained crew. This is the first time the State has offered any increase to

the towns, and it gives the towns a distinctive advantage in carrying on blister rust control work. Besides the 50% increase, the State will furnish the necessary supervision over the work.

On behalf of the Federal and State authorities, I want to thank you for your coöperation in providing funds to carry on this control work, and trust that you will make an appropriation in 1931 in order that the work, now so well started, may be continued until the town is completed.

Respectfully submitted,

G. H. KIMBALL,

Agent.

SCHOOL REPORT

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Pownal:

In accordance with Chapter 16, Section 59 of the Laws of Maine, I hereby submit my sixth annual report as Superintendent of the schools of Pownal.

The spring term completed the school year with the six schools organized under the same arrangement and in charge of the same teachers as reported a year ago. Before making any plans for the fall term of school, it was desired to ascertain if the parents of the children who were being conveyed to the graded schools at the Center were satisfied with the present arrangement. A sheet was therefore prepared containing in separate places the following statements: (1) "We, the undersigned parents of children in the 'Tyler' or 'Merrill' Schools neighborhoods, prefer that our children should attend a one-teacher school in our own neighborhood rather than attend a primary and grammar school at the Center." (2) "We, the undersigned parents of children in the Tyler and Merrill Schools neighborhood, prefer that our children should attend the primary and grammar schools at the Center rather than attend a one-teacher school in our own neighborhood." This sheet was presented, without discussion, to every family of the two neighborhoods who had children in school, with the request that they sign the statement they preferred. During the last four years, these families have had experience with both types of schools and, without exception, they all signed the statement for the children to continue to be conveyed to the primary and grammar schools at the Center. Following are some of the reasons given for the choice made: "There is more interest and competition because the classes are larger." "The recitation periods are longer because there are fewer classes in each school." "The smaller children, being separated from the lower

grades, can be given a variety of instruction and activities and can receive more individual attention from the teacher." "It is not necessary to send the children out of doors to play by themselves for the greater part of the day while the teacher is working with the older pupils."

The wishes of the parents concerned, having been ascertained, the matter was then taken up with the State Department of Education. In due time the following communication, in substance, was received from the Commissioner: "Permission is hereby extended to the Pownal School Committee to use a dwelling house at Pownal Center for one school year more for housing a primary school, with the understanding that the Committee will formulate and present a plan at the next regular town meeting to provide another schoolroom at the 'Center.' Otherwise, the town must remodel its remaining school-houses according to law and reopen its one-room schools."

The most feasible plan for meeting the above mentioned situation seems to be, to move the Merrill schoolhouse to the Center, where it will be of maximum service to the town. This building must be thoroughly repaired and remodelled according to law before it can be used for school purposes. It will cost little more to do this after it is moved to a more useful location than it will to repair it where it now stands. Judging from the past, there are not enough homes located within walking distance of this building to assure a sufficient number of pupils for the continuous maintenance of a satisfactory school. Indeed, it is rather difficult to picture the situation when it would not be cheaper for the town and better for the children to convey them to the Center, than to maintain a school in this location. Judging the future by the past, we should not expect the time to come when there would be sufficient room to convey these children to any one-room school in town. Hence, the logical thing to do is to move this building to the Center for a primary school.

An experienced contractor estimates that this building can be moved for \$500.00. This should be done and the building properly repaired. The Hodsdon, Payne and

Tyler school buildings should also be kept in repair. Whenever there are children enough in any of these neighborhoods to make it possible to maintain a satisfactory school, and the parents represented desire it, a school should be maintained. Whenever the enrollment in any of these schools becomes so small that it is impossible to maintain a good school therein, that school should be closed and the children conveyed to the better central schools. Conveyance can always be provided at a saving of at least one-half the expense of the school. Had the primary room been of standard size, the Payne School could have been conveyed to the central schools this year at a saving of \$340.00 to the town. Thus, within three years the entire expense of moving and remodelling the Merrill school-house could be more than met without increasing the taxes, and a better school system would be established. Pownal is making progress on its road program. It should also be making progress with the school program in line with other towns in the State.

The foregoing seems like a reasonable school policy to follow until the town, as a whole, comes to believe, as an ever increasing number of towns throughout the country do believe, that as better roads are extended, better schools can be provided at lower cost by centralization.

A detailed report of the activities of the schools for the year would be almost identical with the report of a year ago. A few general items of interest, however, will perhaps bear repeating. The data sheet at the end of the report contains all information of a statistical nature arranged for convenient reference. At the close of the spring term, another public graduation was held in Mallett Hall. The central theme of the program was "An Evening with Familiar Authors," and the class roll was as follows: Donald Keith and Flora Dobson from the Hodsdon School; Louville Libby, Neil Plaisted and Dorothy Libby from Center Grammar School; Edna Snow and Robert Britt from Payne School; William and Vernon Libby from West Pownal; Anna Bradbury, Robert DeCoster and Edward Menchen from North Pownal.

Instruction within the several schools has been of a very satisfactory quality. Several teachers' meetings have been held, at which different teachers have reported on special topics and the program has been concluded with a period of discussion and exchange of ideas on teaching methods. The new State Course of Study in Arithmetic has been received and mimeographed and is being distributed to the teachers. During the year it is hoped to give each of the major elementary school subjects an intensive study in this manner. The usual activities of the school have gone along this year in a very satisfactory way. The School Improvement Leagues have been active and have held public entertainments in several of the schools. Considerable work has been done in the way of health improvement, through serving a hot lunch at noon, conducting health programs for cultivating proper health habits and through coöperation with the county nurse, in health inspection and follow-up corrective work. There is still much to be done in this direction, as will be seen by a glance at the nurse's report at the end of this report. She states that of the 95 pupils examined in Pownal, only 18 were found without physical defects of some kind. Of the number examined, 60 were found with defective teeth and 23 with defective tonsils. No child can do his best work when he is suffering with any of the major health defects.

ACCOUNTS

All bills with the exception of those for high school tuition are paid to the first of March. There is an estimated amount of \$280.00 due in outstanding bills under this account. At its last meeting, the School Committee voted to recommend the following amounts for school purposes for the coming year:

Common schools,	\$3,400.00
High school tuition,	1,800.00
Textbooks and supplies,	150.00
Superintendent,	300.00
General repairs,	150.00
Special repairs for Merrill schoolhouse,	400.00

The year has been completed with small balances in

practically all the accounts. Last year \$182.00 was received from the State equalization fund for the common school account, but this year Pownal's tax rate fell below the average for the State, and hence was too low to qualify for special State Aid. The average tax rate for the State was 52.6 mills. The running expenses of the schools are not expected to vary materially during the coming year, hence, with the exception of special repairs, the recommendations are practically the same as last year. It will require \$400.00 to repair the Merrill schoolhouse according to law, but if this building is moved to the Center and the primary and grammar schools continued, an appropriation of only \$3,200.00 will be sufficient for the common school account. The expense of moving and repairing this building will need to be met only once and can be spread over a period of years, while a saving in the expense of operating the schools can be made every year. This is a matter which should receive the careful consideration of every citizen interested in the future welfare of the Pownal schools.

In conclusion, may I express a proper appreciation to all concerned for the splendid interest and spirit of co-operation that has been present throughout the year in all school activities.

Respectfully submitted,

RALPH G. OAKES.

REPORT OF SCHOOL COMMITTEE

We recommend that the town make the following appropriations for the coming year.

Common Schools,	\$ 3,400 00
High School Tuition,	1,800 00
Superintendent	300 00
Repairs	150 00
Text Books and Supplies	150 00
Special Repairs Merrill School Bldg.	400 00

We recommend that the town authorize its officers to move the Merrill schoolhouse to the Center and continue all the schools under the present arrangement.

PHILIP R. TRYON,
WM. J. PERVIER,
VINA VOSMUS,

Superintending School Committee of Pownal.

VITAL STATISTICS

TOWN CLERK'S REPORT

The following is a list of the marriages, births and deaths recorded in the public records of the Town of Pownal since the last annual report:

MARRIAGES

1930

- Apr. 6. Lindsay C. Varnam and Faith A. Tryon.
May 24. Orville J. Guptill, Jr., and Faye M. Hall.
July 1. J. Noyes Mitchell and A. Frances Small.
Sept. 18. Miles C. Beatty and Evelyn T. Loring.
Oct. 11. Gerald H. Cummings and Addie E. Verrill.

1931

- Jan. 1. William A. Brown, Jr., and Gladys Thelma Johnson.
Jan. 14. Perley Anderson and Anna A. Butt.
Jan. 17. Willis Merrill and Evelyn A. Craig.

BIRTHS

1930

- Feb. 26. To Mr. and Mrs. James Butt, a daughter, Rosé Jeanette.
Mar. 19. To Mr. and Mrs. Harold K. Newcomb, a daughter, Joyce Barbara.
May 13. To Mr. and Mrs. Walter H. Edwards, a daughter, Muriel Mildred.
Oct. 2. To Mr. and Mrs. Fred H. Libby, a son, Fred Harding, Jr.
Nov. 28. To Mr. and Mrs. Mansur Kerwin, a son, Mansur Maynard.
Dec. 10. To Mr. and Mrs. Alvin L. Tryon, a son, Richard Melvin.

Dec. 16. To Mr. and Mrs. J. Noyes Mitchell, a son, John Noyes, Jr.

1931

Jan. 9. To Mr. and Mrs. Charles H. Knight, Jr., a son, Carl Irving.

Jan. 21. To Mr. and Mrs. Victor S. Litchfield, a daughter, Winnifree Lucile.
